Notes taken by M Glacken

Financial update provided by S Foley with the nineties fund raising disco raising € 5260.

Issues discussed: Fundraising ideas.

Potential ideas discussed.

- a) College lottery which would generate funds on a continuous basis.
- b) Beauty sessions for students with beauty treatments provided by qualified parents.
- c) Alumni contributions
- d) Monthly bake sales

Actions: Various parents assumed responsibility to follow up on the feasibility of the ideas discussed.

MG to ascertain if a parent alumni could speak to Parents association on their fundraising ideas to ascertain how the PA could support them.

School requests.

Parents/ homes which have spare Nutri bullets/ Smoothie makers or similar to leave into school to support home economic students' activities next year.

Parents skills set.

Recognition of potential significant skill set among parents that could be capitalised upon periodically to support the school community. Need to establish a data base of skill set and identify parents' willingness to share same on occasion (expressions of interest).

MG to develop a survey using MS forms to capture parents' skills set.

Funding sources for astra turf pitch. MC alerted members to potential funding source alerted by CLR Casserly.
